1. Yunfu Internationl Stone Materials Sci&Tech Fair

The YIMSE (Yunfu International Stone Material Sci& Tech Exhibition) fully displays Chinese and foreign stone quarry, natural stones, large boards and artificial stone products, stone craft products, stone processing machinery and equipment, etc.

Range of exhibition:

- Granite, marble quarry and slab, artificial stone, microcrystalline stone, synthetic stone, etc.; mosaic, parquet, fireplace, kitchen board, line, wash basin, special-shaped stone, slate, tombstone; garden landscape stones, rare stones, stone carvings, jade, jewelry;
- Stone machinery and tools such as stone processing machinery, stone mining equipment, stone processing tools, testing instruments;
- Stone auxiliary materials such as stone protection products, adhesives, diamond saw blades, abrasives;
- Address: Industrial transfer industrial park, Silao Town, Yuncheng district, Yunfu City

- Organizer: Yunfu International Stone Technology Exhibition

2. China Xiamen International Stone Fair

After 20 years of development, Xiamen Stone Fair has become a one-stop stone procurement platform and a global benchmark for the stone industry.

Range of exhibition:

- Quarry slab: granite, marble, limestone, sandstone, slate, volcanic rock, artificial stone
- Stone products: table panel, special-shaped stone, stone furniture, tombstone, stone carving, landscape stone, rain flower stone, cobblestone, mosaic

- Mechanical tools: mining equipment, processing machinery, fork mounting machinery, diamond tools, dry hanging accessories, monitoring instruments
- Stone maintenance: Abrasives, cleaning equipment, care products, adhesives, colorants
- Address: Xiamen International Convention and Exhibition Center, No. 198, Huizhan Road, Siming District, Xiamen City, Fujian Province
- Organizer: Xiamen Exhibition Group Co., Ltd.

3. China (Shanghai) International Stone Decoration Exhibition

Shanghai Stone Fair is the best choice to help you achieve domestic and overseas market development, seek partners, and establish industry leadership! At the same time, it provides a platform for technical

exchanges, brand promotion, and product/solution docking for enterprises in the stone industry.

Range of exhibition:

- Stones: marble quarry, granite quarry, sandstone quarry, limestone, quartz, sandstone, slate, etc.;
 - Slabs: natural stone slabs, marble slabs, granite slabs, sandstone slabs, composite slabs, environmental stone;
 - Artificial stone: artificial jade, jade background wall, artificial quartz stone, artificial cultural stone, artificial stone slab;
 - Tombstones: Chinese-style tombstones, Japanese-style tombstones, Korean-style tombstones, European-style tombstones, Russian-style tombstones, American-style tombstones, and artistic tombstones
- 160;
- Stone carving products: stone carving, stone carving products, stone tablet products, garden landscape stone, rockery, etc.;
 - Environmental decoration: pebble, blind stone, antique stone, landscape stone, cultural stone, mushroom stone, etc.;
 - Stone machinery and processing equipment; mining saw series, stone cutting machine series, stone grinding machine series, stone cutting machine series, thinning machine series, copying machine series, polishing machine series, artificial stone machinery series, mosaic machinery series, stone Engraving machine series, diamond tools, all

kinds of saw blades, stone mining equipment, stone processing machinery, diamond saw blades, abrasive tools, abrasives, stone chemical protection supplies, various stone monitoring instruments, scientific research and design results, magazine materials, etc.

— Maintenance materials and equipment: cleaning machinery series, cleaning tool series, cleaning agent series

— Stone (granite, marble, slate, sandstone, quartz stone, pebble, artificial stone, etc.), stone carving and stone products, special-shaped stone, stone production equipment, horticultural cultural stone, etc.

- Address: Shanghai New International Expo Center (No. 2345 Longyang Road)
- Organizer: Shanghai Jiecheng International Exhibition Co., Ltd.

4. China (Chengdu) Stone Products and Equipment Exhibition

Range of exhibition:

— Stone categories: marble quarry, granite quarry, sandstone quarry, limestone, quartz, sandstone, slate, etc.

— Slabs: natural stone slabs, marble slabs, granite slabs, sandstone slabs, composite slabs, environmental stone, etc.

- Artificial stone: artificial quartz stone, artificial cultural stone, artificial stone slab, etc.
 - Tombstones: Chinese-style tombstones, Japanese-style tombstones, Korean-style tombstones, European-style tombstones, Russian-style tombstones, American-style tombstones, art tombstones, etc.
 - Stone carving products: stone carving, stone carving products, stone tablet products, garden landscape stone, rockery, etc.
 - Environmental decoration categories: pebble, blind stone, antique stone, landscape stone, cultural stone, mushroom stone, etc.
 - Stone machinery and processing equipment: mining machinery series, stone cutting machine series, stone grinding machine series, stone cutting machine series, thinning machine series, copying machine series, polishing machine series, artificial stone machinery series, mosaic machinery series, stone engraving machine series, diamond tools, all kinds of saw blades.
 - Maintenance materials and equipment: cleaning machinery series, cleaning tool series, cleaning agent series.
- Address: Chengdu Century City New International Convention and Exhibition Center
 - Organizer: Sichuan Interior Decoration Association

5. China International Northern Stone Fair, Qingdao International Stone Fair

Range of exhibition:

(1) stone varieties:

- Stone quarry include marble, granite, sandstone, limestone, basalt
- Stone slabs include natural stone, marble, granite, composite slabs, ultra-thin slabs
- Artificial stones include quartz stone, jade, cultural stone, artificial stone slab, microcrystalline stone
- Art stones include garden landscape stones, stone carvings, jade products, jade background walls, rockeries, pebbles, cultural stones, mushroom stones, tombstones
- New stone types include imitation stone paint, real stone paint, glass stone, antique stone, floor

(2) Stone machinery and processing equipment:

- Mine saws, cutting machines, grinding machines, polishing machines, engraving machines, wire saw machines, infrared bridge cutters, diamond tools, saw blades, forklifts

(3) Maintenance materials and equipment:

- Cleaning machinery series, cleaning tool series, cleaning agent series

- Address: Qingdao International Expo Center
- Organizer: Qingdao Northern Stone Fair and Exhibition Co., Ltd.,
Qingdao Haichen International Exhibition Co., Ltd.

6. China (Chongqing) International Stone Industry Expo

China (Chongqing) International Stone Industry Expo (Chongqing Stone Fair), held once a year, after seven years of continuous cultivation and development, has been highly concerned by the global stone industry and related industries. One-stop international business platform for negotiation.

Range of exhibition:

- Stones: marble quarry, granite quarry, sandstone quarry, limestone, quartz, sandstone, slate, etc.;
- Slabs: natural stone slab, marble slab, granite slab, sandstone slab, composite slab, environmental stone
- Artificial stone: artificial quartz stone, artificial cultural stone, artificial stone slab;
- Stone carving products: stone carving, stone carving products, stone tablet products, garden landscape stone, artificial sandstone, rockery, etc.;
- Environmental decoration: pebble, blind stone, antique stone, landscape stone, cultural stone, mushroom stone, etc.;

- Stone machinery and processing equipment: diamond bead saws, diamond wire saws, disc saws, arm saws, ultra-thin sawing equipment, grinding and polishing equipment, water jet cutting machines, cutting tools, thickness-determining machines, polishing machines, transmission systems, Diamond tools and products Angle grinders, engraving tools, sandblasting, flame cutting machines, vacuuming equipment, mining equipment, drilling and splitting equipment, air compressors, rock drills, loaders;
- Maintenance materials and equipment: stone maintenance supplies and equipment, various types of stone cleaning, protection, renovation, maintenance supplies, stone decoration, adhesives, abrasives, adhesives, stone polishing agents, etc.
 - Exhibition address: Chongqing International Convention and Exhibition Center
 - Organizer: Chongqing Jianyu Exhibition Co., Ltd.

7. China (Nanan) Shuitou International Stone Fair

China (Nan'an) Shuitou International Stone Fair is an international stone fair with the largest number of booths and the largest exhibition scale among domestic stone exhibitions. It is held annually at the Shuitou International Stone Exhibition Center in Nan'an, Fujian.

As one of the largest stone production and trading centers in the world, Nan'an has more than 1,300 stone enterprises with nearly 100,000 employees. In 2017, the total output value of Nan'an stone industry was nearly 50 billion yuan. The stone trade spread to more than 130 countries and regions, and the import and export of stone accounted for 60% and 55% of the country's total.

Range of exhibition:

- Granite, marble quarry and slabs;
- Special-shaped stone, slate, stone carving crafts, tombstone and products;
- Garden landscape stone, strange stone and artificial stone products, etc.;
- Stone mining equipment, all kinds of stone processing machinery;
- Diamond saw blades, abrasive saws;
- Stone chemical protection products and technologies, various stone adhesive products and technologies, and various stone testing instruments;
- Scientific research achievements, various stone service facilities and technologies, various stone materials, etc.;
- Stone design technology and construction technology and trade;

- Exhibition address: China • Shuitou Shibo Center

- Sponsor: Nan'an Municipal People's Government

8. China (Laizhou) International Stone Exhibition

Laizhou is the largest stone import and export base in northern China. The total stone reserves here reach 3 billion cubic meters, accounting for 1/5 of the national reserves. It has more than 2200 processing enterprises, with an annual processing capacity of more than 60 million square meters of slabs and 200000 pieces of sculptures and special-shaped stones. Its products are exported to more than 30 countries and regions such as Japan, South Korea, Russia, Vietnam, the United States and Hong Kong

Range of exhibition:

- Stone and its products: Stone (granite, marble, slate, sandstone, artificial stone) quarry, slab, special-shaped stone, composite stone
- Stone carving sculpture, tombstone stone, landscape stone, garden stone, strange stone
- Stone mining, stone processing equipment and technology, all kinds of stone processing machines and tools, all kinds of abrasive tools and accessories
- Stone maintenance products and technologies, stone adhesive products and technologies

- Stone decoration design technology, scientific and technological achievements of stone industry and relevant professional media
- Address: Shandong Laizhou International Convention and Exhibition Center
- Sponsor: Shandong Haoyan Stone Trading Co., Ltd. Laizhou Yutong International Logistics Co., Ltd
